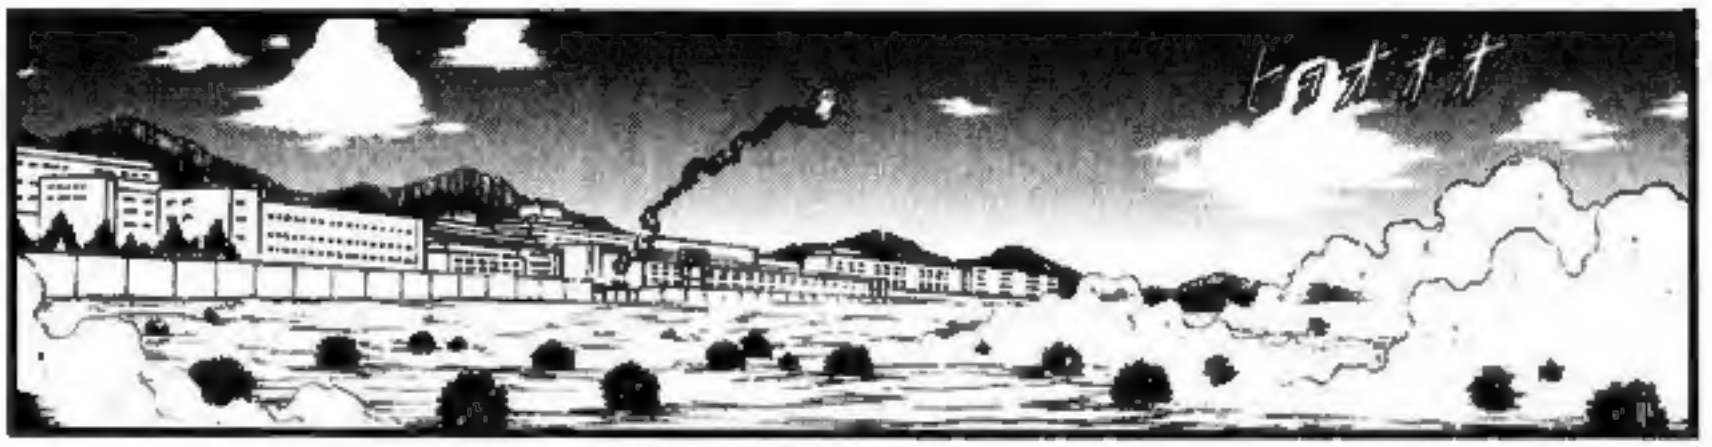
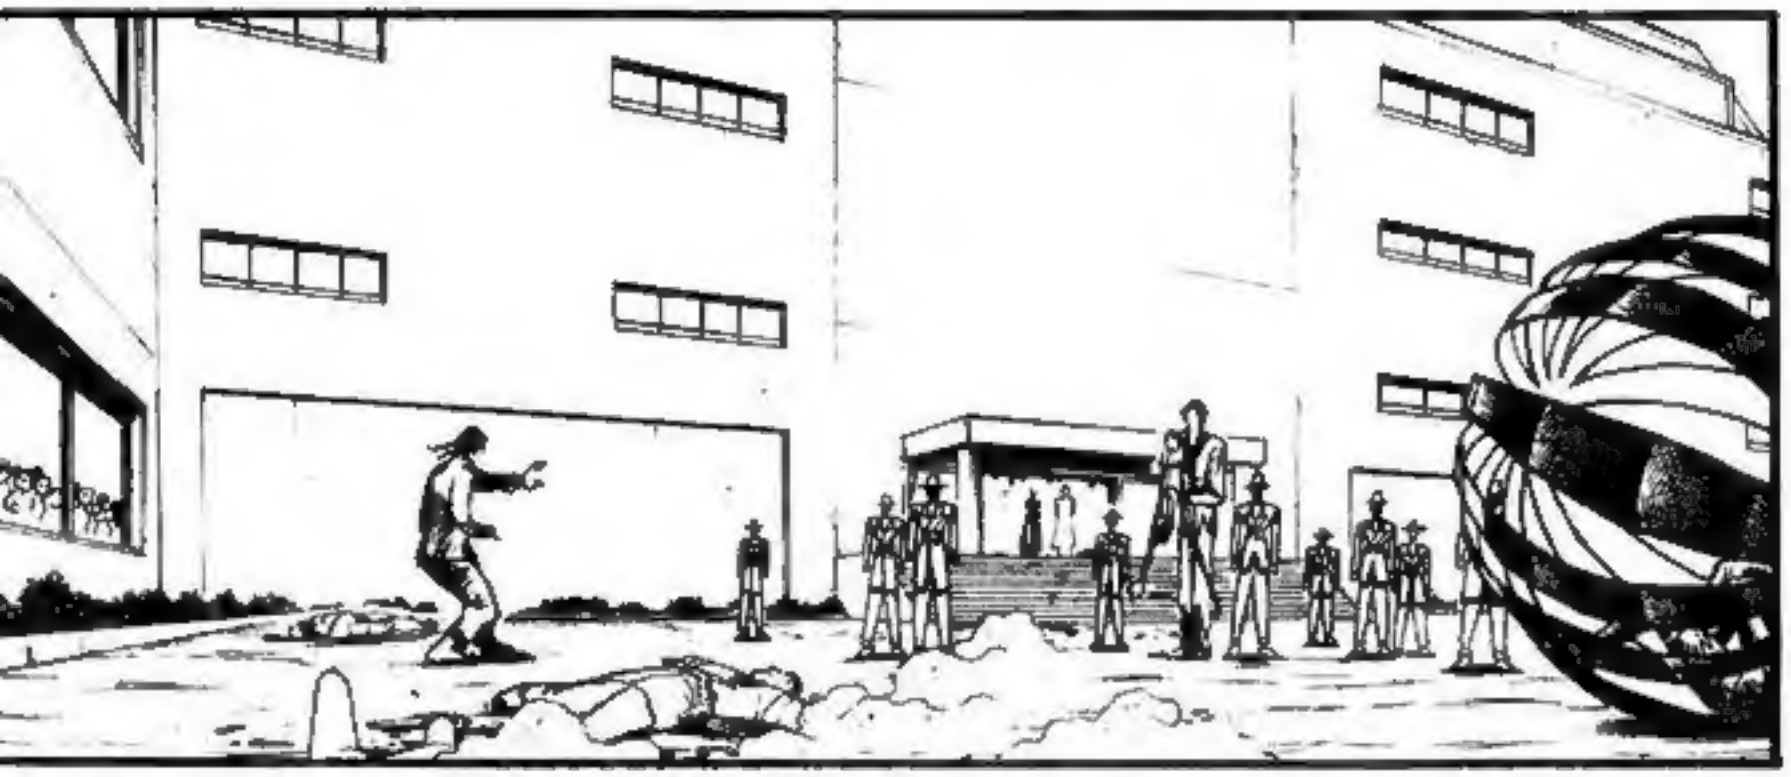
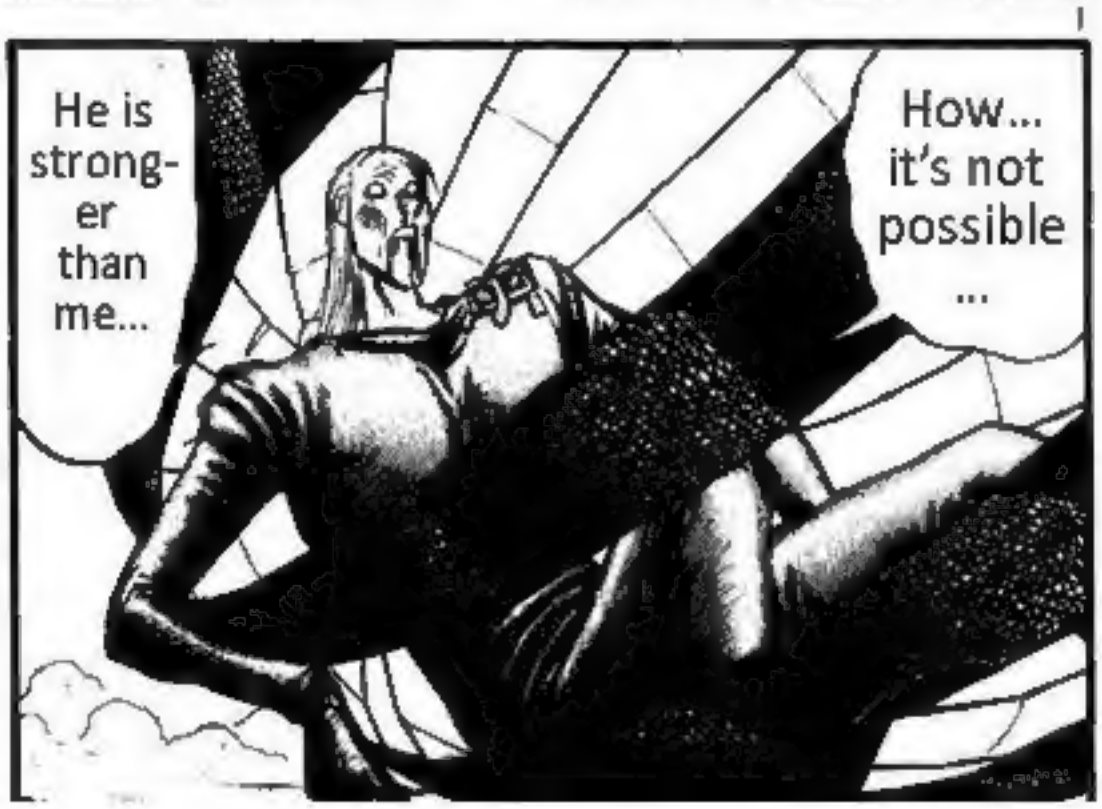
Act 9
Demonic II







2

How-ever ...

Yes, Guy. I dare say that, like this, his strength exceeds a normal shirogane's.

Narumi's quite strong, Lucille.

And eventually, it will defeat him.

Wrath hinders his mind,

it narrows his field of vision,

Narumi, isn't it? Bring it on, bring it on!

The rumored ki-smashing shirogane, eh?

Just a matter of time, is it?

Guy, you should get ready.

Please allow us to kill him!

We students will take care of him!

Paulman-sensei, Anzelmas-san, just wait!

Fuhn, can't be helped.

away from children...
You've taken my smiles...

You spread the Zonapha Syndrome...
Puppets!

4

It's unforgivable

You've taken families...
dreams...
a normal life...

and now your lives are in my hands!
You've toyed with human lives,

all of us!?
You dodged ...

Ashes to ashes... And puppet to puppet...

You're all going to Hell!

Aaa
rrra
hhh
!!

Huuuu
uuu
man!

Some-
how,
Narumi

doesn't
seem
quite
himself
...

Just so, however angry Narumi might be, he doesn't lose sight of masterful fighting skills or where he's placed his heart.

However much in a rage a man is, he doesn't crash through a door. By habit, he opens the door to get to the next room.

I'd say only one man in a thousand could reach this point at such an age.

However... instead of that, Narumi is throwing something away.

Yes, Lucille, I see it too.

Narumi's abandoned something and been transformed.

To the Automata-

He's a demon!

Damn you, you think you can leave George LaRoche like this?

Interesting you're deeply interesting.

Yes, of course, Anzelmas.

Paulman, let's get him, let's get him!

It seems as though all my students are absent to class,

Paul-man!

George !?

Get back, George!

Keh hih hih, fool!

N-no . my special alloy Ball Mysterioso

George, watch out!

George!

Narumi stay back!

So-

ビキ ビキ

Kuh...

Fuh hih hih hih, it's useless! My teeth have the hardness of ten diamonds!

ギリ ギリ

You're finished!

Wh... what are you talking about?

There. Class is over.

17

Guy, go!

Narumi!

So...

That's why I became an Oni...

Became a demon...

I... swore it.

I promised ...the kids

I promised I'd...wipe you out.

This demon is going to-

Destroy you!!
